

TRUST

Kari is twenty-one, but in many ways she is still a child, having lost her parents as a baby and then her only other living relatives, the grandparents who raised her. As a teen, she had a hard time forming emotional attachments. Believing she can fill the void in her life with music and sex, she dances her evenings away at a Cyber-Goth club and leaves with the man of the day. Julian is brokenhearted after...

Reader's Opinions

Heavy BDSM, too much for my liking. I rate this book as average, fast read.

I'm not sure how I feel about this one. It's definitely heavy on the S & M. I don't like that the Dom said he doesn't use safewords and was introducing someone into the life w/o one. Even if she doesn't use it, he could've earned her trust better by giving her that security.
