

A POSSIBLE LIFE

Terrified, a young prisoner in the Second World War closes his eyes and pictures himself going out to bat on a sunlit cricket ground in Hampshire, England. Across the courtyard in a Victorian workhouse, a father is too ashamed to acknowledge his son. A skinny girl steps out of a Chevy with a guitar; her voice sends shivers through the skull. Soldiers and lovers, parents and children, scientists and musicians risk their bodies and hearts in search...

Peek Inside the Book

If not just the brain but the quirks that made the individual were composed of recycled matter only, it was hard to be sure where the edges of one such being ended and another person began. Sebastian Faulks,...

Sometimes my whole life seems like a dream; occasionally I think that someone else has lived it for me. The events and the sensations, the stories and the things that make me what I...

Reader's Opinions

The subtitle, "A Novel In Five Parts", is both misleading and spot on. Misleading because there are five different narratives that make up the book, not obviously related to each other. The times are different, the situations are different, the outcomes are different. It's only after you read them all that you see what the connections...
