

REIFU RISING

This is a sci-fi/vamp story. It's about visitors to a new world, running from their enemies, inhabited by primitive humans living by strict religious rules. After an illegal human hunt Sid, a thief, is taken by the Crown Prince, Loki, as a...

Reader's Opinions

very nicely written: complete, well-thought out world; good plot building throughout; depth to characters (both main and peripheral) with clear reasoning behind actions; great ending. highly recommended.

Such an awesome book; I loved it. Although Sid lives in a world where vampires colonize humans for their food source, Sid is far from being livestock. He is wild and strangely appealing to the vampire prince Loki who captures him. I wondered at first if Stockholm Syndrome was at play, but there seems to be something more biological,...
