There is more difference within the sexes than between them. Ivy Compton-Burnett, Mother and Son //

## Reader's Opinions

la trama non mi piaciuta un granch, tuttavia ci sono un sacco di spunti di riflessione e chicche sparse in tutto il libro. L'inferno non alberga nessuna furia paragonata a una donna respinta

What an odd book. I read it because it because the author was recommended by Hilary Mantel--one can only hope on the basis of some other book she wrote! I will not be exploring Compton-Burnett's work further.
