Reader's Opinions

Desolace by Lucian BarnesI received this book from the author in turn for an honest review ~ WaArI was hooked from page one. The book started out strong and intriguing although I picked up a problem with the fact that the second victim relaxed under the touch of the serial killer, that...

I received this book from the author to give an honest review.This review is for the ebook version. And may contain spoilers with my questions.I give this book 4 1/2 stars only because I found myself asking a couple of questions about some parts, and the storyline just did not seem to fit for me.The first part of the book had me from...
